What Information Do We Collect?

When you visit our site, we collect two types of information: personal information you actively choose to disclose ("Active Information") and use information collected, in a way not visible to you, on an aggregate anonymous basis as you and other users browse our site ("Passive Information").

1 Personally, Identifiable Information

This refers to information that lets us know specifically about you i.e., profile information.

A. Registration

When you register to become an authorized reseller of our products or services, we will collect Personally Identifiable Information (such as name, address, email address, and telephone number). This Personally Identifiable Information is securely stored and may be accessed on our website. You are assigned an identification number and select your own password – both are needed to enter the Site and to access your Contact Information. Please safeguard your password in a secure location as we are not responsible for breaches into the system when access is willingly provided.

B. Ordering

When you place an order for services or products, we collect Personally Identifiable Information (such as name, contact and billing information, credit card, and other transactional information). We use this information to process your payment, deliver your order and to communicate the status of your order.

C. Credit Card Storage

Credit card information collected at registration or for product orders is used only to process payment for the transaction and, generally, is not retained on our Site. However, you may voluntarily elect to securely store multiple credit cards to be used for product orders.

D. Surveys and Promotions

Occasionally, you may voluntarily provide Personally Identifiable Information to complete surveys and questionnaires or to participate in user polls. We use this information to improve our products and services and to ensure that we are providing accurate disclosures. We may also use your Personally

Identifiable Information to provide you publications and other marketing information that coincide with your preferences. You may customize your marketing preferences or let us know if you do not wish to receive any promotional materials, by adjusting your Subscriptions & Email options on the Site.

2. Aggregate Information

This refers to information that does not, by itself, identify you as a specific individual. Such information would include the Uniform Resource Locator (“URL”) of the website that referred you to our Site, your Internet Protocol (“IP”) address (a number automatically assigned to your computer whenever you surf the web), your operating system and browser type, and any search terms that you enter on our Site. Our web server aggregates this information in order to monitor the level of activity on our Site, evaluate its effectiveness, and improve the content of our Site in order to make your visit an easy and enjoyable experience.

We may collect, compile, store, publish, promote, report, or otherwise disclose or use any Aggregate Information, provided that such information does not personally identify you. We do not correlate any Personally Identifiable Information with the Aggregate Information that we collect on our Site. If we do correlate any Aggregate Information to you, it will be protected like any other Personally Identifiable Information under this Privacy Statement.
