

Archer Travel Service, Inc. Cancellation and Refund Policy

Cancellation fees and refunds are determined by the individual cruise lines and tour suppliers. Those terms are communicated at time of reservation and deposit.

Archer Travel has no cancellation or refund fees on individual transactions. All cancellation and refund fees are communicated in advance and stated in a services agreement for all group cruises and tours.

Cancellation and medical insurance for travel is strongly recommended to protect your travel investment. Our agents will provide options for policies based on your individual criteria such as supplier, location, age, etc.
